67/100

1. Executive Summary

Brutally Honest Snapshot

Connect verified data sources (SEO provider, reviews/GBP, competitor SERP data) to replace currently unavailable sections.

' Key Strengths

- Homepage title detected: "BrandingBeez | White-Label SEO, Design & AI for US & UK Agencies"
- Meta description detected on homepage.

& Critical Weaknesses

No weaknesses detected.

Category	Score / 100	What it means
Website	100	Technical foundation & UX
SEO	100	Visibility & demand capture
Reputation	18	Trust & social proof
Lead Gen	50	Acquisition channels & conversion
Services	N/A	Offer clarity & positioning
Cost Efficiency	N/A	Margins & scalability

Top Immediate Actions (Next 90 Days)

1. Publish sitemap.xml and reference it from robots.txt

Impact: Improves crawl discovery and coverage. • Time: 1–2 hrs • Cost: Low
Add sitemap.xml and ensure robots.txt points to it.

2. Website & Digital Presence Analysis

Technical SEO Score: 100/100

- Homepage title detected: "BrandingBeez | White-Label SEO, Design & AI for US & UK Agencies"
- Meta description detected on homepage.

Issues Found

No issues detected.

Page Speed & Core Web Vitals (Real Test)

Strategy	Perf	SEO	LCP	CLS	TBT
Mobile	—	—	—	—	—
Desktop	—	—	—	—	—

2.2. Content Quality Assessment

Content Quality Score: 52/100

- Homepage has a clear page title (good for SEO + click-through).
- Homepage has a meta description (helps search snippet quality).

Gaps

- Homepage has no H1 heading.
- No clear Services page detected.
- No About page detected.
- No Contact page detected.
- No clear case studies/results content detected.
- No dedicated testimonials section detected.
- No FAQ section detected.

Recommendations

- Add one clear H1 that states your primary offer.
- Create a dedicated Services page listing each service, outcomes, and CTAs.
- Add an About page with team, credibility, and experience.
- Add a Contact page with a short form, phone/email, and a clear CTA.
- Publish 2–5 case studies with metrics, process, and outcomes.
- Add testimonials to key pages and link to Google reviews.
- Add FAQs to services pages to answer common objections.
- If suitable for your business, add pricing ranges or packages to reduce lead friction.
- If you want SEO growth: add an Insights/Blog section and publish consistently.

2.3. UX & Conversion Optimization

UX/Conversion Score: 60/100

No conversion positives detected.

Issues Holding Back Conversions

- No clear primary CTA detected on homepage.

Estimated Uplift: N/A

2.4. Content Gaps

- Homepage has no H1 heading.
- No clear Services page detected.
- No About page detected.
- No Contact page detected.
- No clear case studies/results content detected.
- No dedicated testimonials section detected.
- No FAQ section detected.

3. SEO & Organic Visibility

Domain Authority Score: 100/100

Score derived from on-page hygiene only (no PageSpeed SEO score available). Backlinks/true authority require Moz/Ahrefs/SEMrush.

Backlinks

Metric	Value
Total Backlinks	N/A
Referring Domains	N/A
Link Quality Score	N/A

Not available: requires backlink provider integration.

4. Reputation & Social Proof Audit
